

# PNW Water Quality and Monitoring Program

A 'Community-Based' Water Education Short-Course  
for the Pacific Northwest

## WORKSHOP GUIDE and PARTICIPANT MATERIALS

Sponsored by:  
Cooperative Extension  
Systems in Idaho,  
Oregon, and Washington;  
IWRR

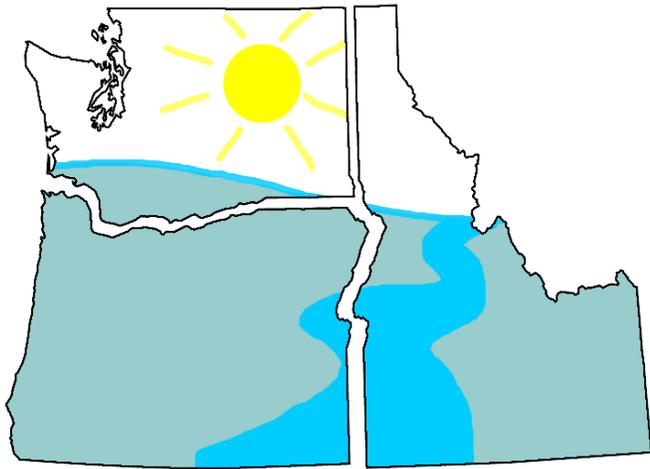

Funding Provided by:  
United States Department  
of Agriculture

Developed by:  
Robert Mahler  
Ron Minor  
Bob Simmons  
Kevin Laughlin

Layout and Design by:  
Karen Loeffelman

Cooperators:  
IGS and USGS  
State Environmental  
Agencies  
US EPA Region 10  
USDA-NRCS

# PNW Water Quality and Monitoring Program

A 'Community-Based' Water Education Short-Course for the Pacific Northwest

## Short-Course Guide for Participants

### **Sponsored by:**

Special thanks to all the short-course sponsors whose feedback and evaluations greatly contributed to the development of this short-course guide.

OSU/Coos/Curry County Extension Service; OSU/Lincoln County Extension Service; UI Benewah County Extension; and WSU Douglas and Yakima County Extension Cooperative Extension Systems in Idaho, Oregon, and Washington; Idaho Water Resources Research Institute

### **Funding provided by:**

United State Department of Agriculture

### **Developed by:**

Robert Mahler, UI Cooperative Extension  
Ron Minor, OSU Cooperative Extension  
Bob Simmons, WSU Cooperative Extension  
Kevin Laughlin, UI Cooperative Extension

### **Layout and Design by:**

Karen Loeffelman

### **Cooperators:**

USDA-Natural Resource Conservation Service  
U.S. Environmental Protection Agency Region 10  
State Environmental Agencies in Idaho, Oregon, and Washington  
Idaho Geological Survey

This guide was funded under a cooperative agreement with the USDA Cooperative State Research, Education, and Extension System. The statements, findings, conclusions, recommendations, and information in this guidebook are solely those of the developers. They do not necessarily reflect those of the U.S. Government. The material is the result of tax-supported research and as such is not copyrighted. It may be freely reprinted with the customary crediting of source.

This publication is a water education effort between cooperating partners. Partners and their cooperators developed it with over 100 participants in six communities in the Pacific Northwest in 2000. Contents of this publication do not necessarily reflect the views and policies of the University of Idaho Cooperative Extension System, Oregon State University Cooperative Extension, Washington State University Cooperative Extension, the Idaho Water Resources Research Institute, the U.S. Environmental Protection Agency, or other partners in the program, nor does mention of trade names or commercial products constitute their endorsement by the same.

Web sites and information referenced on them are provided “as is” with no warranties of any kind. The developers disclaim all liability of any kind arising out of your use, or misuse of, these web sites and the information contained and referenced within them.

Cooperating developers disclaim all express warranties included in any materials, and further disclaim all implied warranties, including warranties of merchantability, fitness for a particular purpose, and infringement of proprietary rights. The University of Idaho shall not be liable for any damages of any kind.

The developers are not responsible for the content, accuracy, or timeliness of information contained on listed web sites or references. Issues of content, accuracy, and timeliness should be directed to the providers of those information pages.

<b>1</b>	<b>Program Summary</b>	
<b>3</b>	<b>Short-Course Basics</b>	
<b>27</b>	<b>Introduction and Welcome</b>	
<b>39</b>	<b>Part One: Water, Watersheds, and Beneficial Uses of Water</b>	
	Module 1: Learn, Plan, and Act .....	41
	Module 2: Water and Watershed Concepts .....	53
	Module 3: Beneficial Uses and TMDLs .....	71
	Module 4: Survey of Local Water Uses / Resources .....	83
<b>91</b>	<b>Part Two: Ground, Drinking, and Surface Water</b>	
	Module 5: Ground Water, Drinking Water, and Standards .....	93
	Module 6: Why We Monitor and Volunteer Monitoring .....	115
	Module 7: How We Monitor and Practical Reporting .....	139
	Module 8: Addressing Key Local Water Concerns .....	185
<b>193</b>	<b>Part Three: Nine Key Indicators of Surface Water Quality</b>	
	Module 9: Surface Water Quality (including chemistry) .....	195
	Module 10: Water Quality Testing Kits .....	221
	Module 11: Physical Habitat Assessment .....	237
	Module 12: Biological Habitat Assessment .....	249
<b>289</b>	<b>Part Four: Experience Surface Water Quality Monitoring and Safety in the Field</b>	
	Module 13: Safety and Access Issues .....	291
	Module 14: Streamwalk: Monitoring Stream Surface Waters .....	301
	Module 15: Monitoring Ponds and Lakes .....	313
	Module 16: Monitoring Beach/Estuary Surface Waters .....	321
<b>339</b>	<b>Part Five: Spread the Word!</b>	
	Module 16: Spread the Word! Options for Citizen Involvement and Contact Information to Obtain Additional Resources; Links to Ongoing Local, State, and Regional Water Quality and Monitoring Programs .....	341
<b>355</b>	<b>Journal</b>	
	Water Quality & Monitoring Journal	
<b>357</b>	<b>Glossary</b>	
	Water words	
<b>403</b>	<b>Appendix A</b>

## Partners, Cooperators, and Co-sponsors

Partners in designing and delivering this short-course: University of Idaho Cooperative Extension System, Washington State University Cooperative Extension, Oregon State University Cooperative Extension, the Idaho Water Resources Research Institute (IWRRI), and USDA-CSREES

**Cooperators, co-sponsors, and organizing groups included:** Cooperating Pacific Northwest counties and their Cooperative Extension staff in Benewah County Idaho, Curry and Lincoln Counties in Oregon, and Yakima and Douglas Counties in Washington; the Idaho Geological Survey Office in Moscow, ID, the U.S. Geological Survey office in Spokane, WA and national USGS offices (U.S. Department of the Interior) teamed to support this pilot; the University of Idaho's Plant, Soil, and Entomological Sciences Department in the College of Agriculture and the Off Campus Programs Office and the GLOBE Program in the Teacher Education Department in the College of Education; the Howard Hughes Program at Washington State University in the College of Sciences and WSU Colockum Research and Extension Unit in the College of Agriculture; Yakima and Coeur d'Alene Nation and Tribal agencies; Irrigation and Conservation Districts, the USDA Natural Resource Conservation Service; the Environmental Protection Agency Region 10; state environmental agencies in Idaho, Oregon, and Washington; the Groundwater Foundation in Nebraska; the Kentucky Farm Foundation; Micrology Laboratories L.L.C. of Goshen, IN; the Hach Company of Loveland, CO; the Oregon Coast Community College; Heyburn State Park in Idaho; the Yakima Area Arboretum, and the St. Andrews Grange.

## Program Developers

Robert L Mahler, UI Extension Professor, Soil Fertility, Moscow, Idaho  
Location: PSES Dept., Ag Science 242, University of Idaho, Moscow, ID 83844-2339  
Phone: 208-885-7025; FAX: 208-885-7760; E-mail: [bmahler@uidaho.edu](mailto:bmahler@uidaho.edu)  
Web page: <http://www.uidaho.edu/~bmahler>

Robert C. Simmons, WSU Regional Water Quality Education Program, Lacey, WA.  
Location: Thurston County Extension Office, 720 Sleater-Kinney Road SE, Lacey, WA 98503  
Phone: 360-786-5445 x7915; E-mail: [simmons@wsu.edu](mailto:simmons@wsu.edu)  
Web page: <http://www.midpacific.wsu.edu>

Ron Miner, OSU Professor and Extension Water Quality Specialist, Corvallis, Oregon  
Location: Bioresource Engineering, Gilmore 228, Corvallis, OR 97331  
Phone: 541-737-6295; FAX: 541-737-2082; E-mail: [minerj@engr.orst.edu](mailto:minerj@engr.orst.edu)  
Web page: <http://www.bioe.orst.edu/Faculty/miner>

Karen Loeffelman, UI Extension Support Scientist, Moscow, Idaho  
E-mail: karenl@uidaho.edu

Kevin Laughlin, Extension Educator and Water Quality Associate, Moscow, Idaho  
E-mail: laughlin@uidaho.edu

### **Program Sponsors and Reviewers**

Lynn Alderson, former Agriculture Extension Educator, North Central Washington, WSU Cooperative Extension, Sponsor

Frank A. Burris, Coos/Curry County Watershed Agent, Gold Beach, OR, Sponsor and reviewer

Frank Hendrix, Agriculture and Natural Resources Extension Educator, Yakima, WA, WSU Cooperative Extension, Sponsor

Mary Holbert, Lincoln County Watershed Management Educator, Newport OR, Sponsor

Kristin Keith, Extension Water Quality Educator, UI Extension, Caldwell, Idaho, Reviewer

Annie Phillips, Washington State Governors Council on Water Quality, Reviewer

Valdasue Steele, Benewah County Extension Educator, St. Maries, Idaho, Sponsor and reviewer

Ariel Szogi, Agriculture and Natural Resources Extension Educator, Yakima, WA, WSU Cooperative Extension, Sponsor and reviewer
